www.classmate.net/sites/bcctccm

ClassMate

Beaver County Career & Technology Center ClassMate

Discover how easy it is to access your work and the programs that you use, from home and anywhere else in the world.

If this is your first time connecting from this computer, click on First Time Setup. Otherwise, click on Back Again.

First Time Setup Back Again

Contact Support

If you are having any difficulties connecting, please contact the ClassMate Help Desk M-F 8:00 am to 5:00 pm at 855-984-1228, option 1, for assistance. You may also reach us via email at helpdesk@classmate.net

Step 2

- Click the appropriate button for your Operating System----Win10 is the same for Windows.

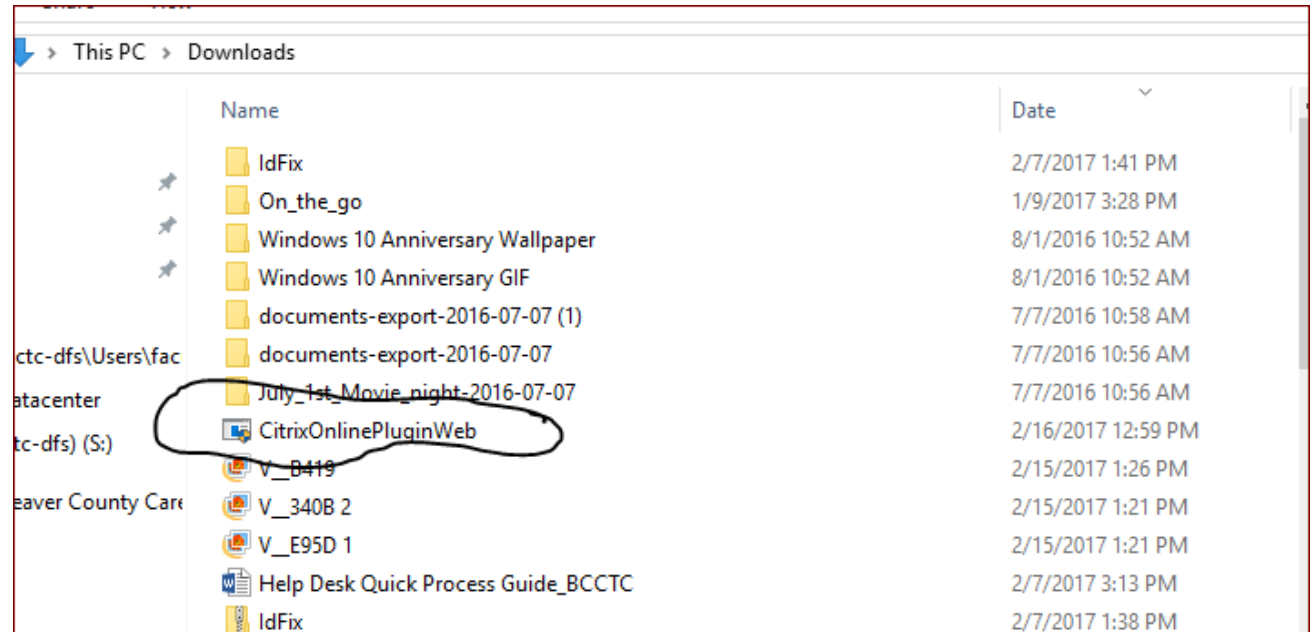

Doing this will start the Citrix Receiver Download

****Leave the window open, as you will return to this in step 4****

Step 3

Open the CitrixOnlinePluginWeb download and install to your computer

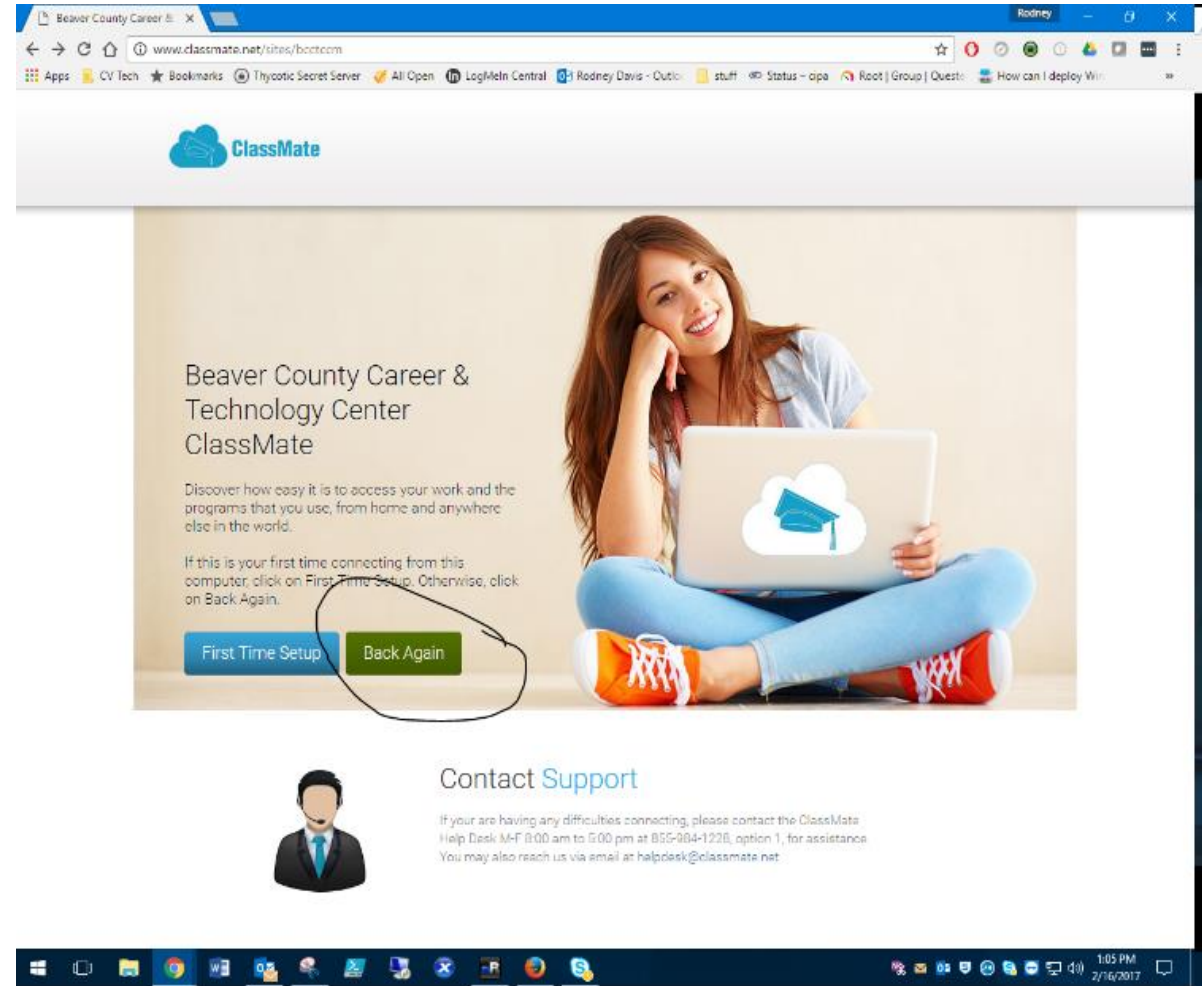

Step 4

- Go back to the open browser and hit the <- arrow to return to the Classmate homepage.

Or you can retype the www.classmate.net/sites/bcctccm URL

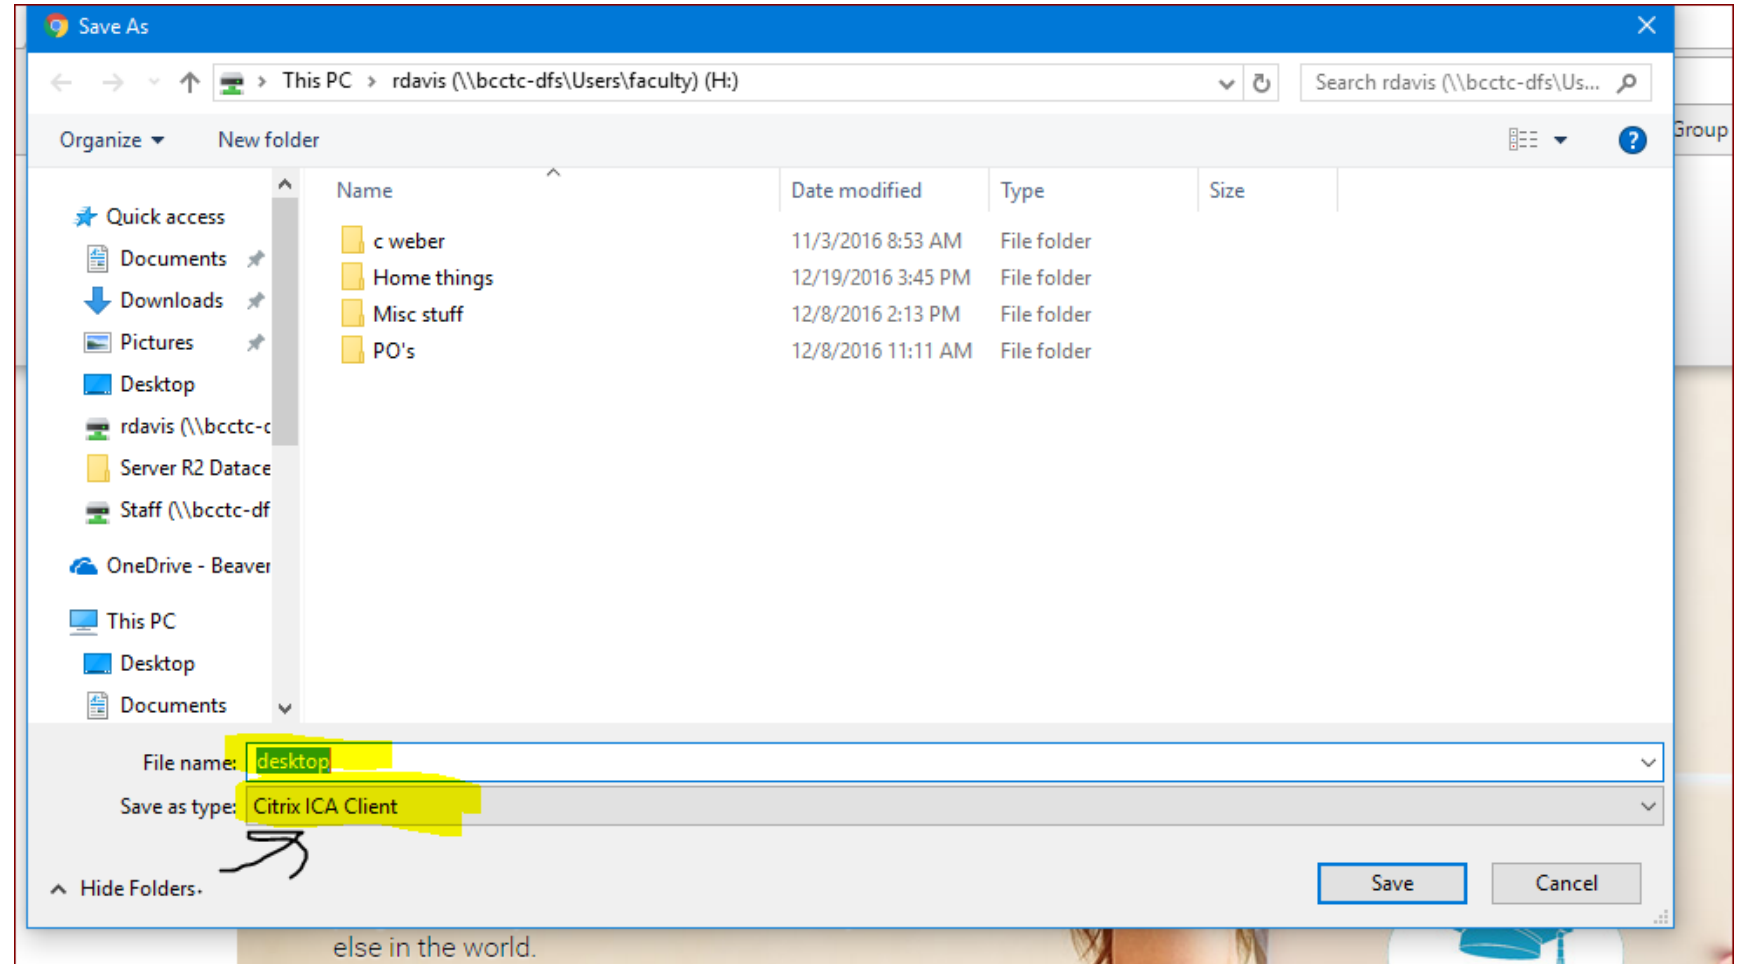

- On the Homepage, Right-Click on the “Back Again,” button and use the “Save Link As...,” option.

This will create the Classmate icon, make sure you save it to your desktop or else it will go to your downloads folder...See Next Image

Step 4 Cont.

Change the “File Name,” to Classmates and save to desktop

Step 5

You Did It!!!

You can now access
Classmate!
